Re: Extension of the period of the currency of the overdraft of Rs 5,000/- allowed to the Madhugiri Town Municipality, till the end of June 1943

Rec 17-12-42—2

Sir,

Adverting to your letter No L 1077/'1 110-41-21 dated the 27th July 42, conveying sanction of Government to the extension of the currency of the overdraft till the end of December 1942, I have the honour to forward herewith, in original, the letter received from the President, Town Municipal Council, Madhugiri and to state as follows -

1 The President states that every effort is being made to repay the overdraft before the period of currency Out of a sum of Rs 3,500/- outstanding under mohatarfa on 1-7-42, a sum of Rs 1,500/- has so far been collected and as regards the balance, coercive measures are adopted A sum of Rs 2,203/- is stated to have been kept in savings bank accounts for being adjusted towards the overdraft

2 The income from other sources is stated to be disappointing due to war conditions and scarcity of food stuffs Shandy is not attractive and further, owing to the abnormal rise in the prices of cloth and other articles subjected to octroi duty, there has been less of import of these articles also There are no fresh sources of income to be considered by the Council

3 On the other hand, the expenditure side of the Municipality has increased due to the payment of dearness allowance to the staff and rise in prices of lubricating oil and fuel to the water pump and further the articles of stationery have also become very costly making the position of the Municipality difficult to meet the normal expenditure If the amount in the savings bank is adjusted, there would be nothing to fall back upon in case of worse situation in future

4 A separate reference received from the President seeking sanction of Government in the matter of disposal of sites originally given to the Kurchati area Hostel and for the Musafirkhana in front of the Veterinary Dispensary in order to adjust the overdraft out of the realisations thereby, has been submitted to Government with this office letter No A6 C 2416/41-42 dated the 14th December 42, for orders

5 The President states that taking all these aspects of the question, the Municipal Council, have, at their meeting held on 20-11-42 resolved that Government be requested to extend the term of the overdraft till the end of June 1943

6 I request that orders of Government may be kindly obtained in the matter

Subj - Extention of the period of the Over-draft of Rs5000/- up to the end of June 1943

Sir, I have the honour to state that Government in their letter No L 1077/MI 110-41-21, dated 27th July 42 were pleased to extend the currency of Over-draft granted to this Municipality till the end of current month

Since July effort was made to make provision to pay up the Over-draft Out of a sum of Rs3500/- under Mohatarfa tax outstanding on 1-7-42 a sum of Rs1500/-has been so far recovered and as regards the balance coercive measures are adopted as it is not recoverable by mere demand A sum of Rs209/- has been kept in S B accountto be adjustedtowardsthe Over-draft

The income from other sources has been disappointing since July due to the War conditions and scarcity of food-stuffs Shandy is not attractive and there is decrease in the number of carts coming to Shandy so much so the realisations are not to the expectation of the Municipality Owing to abnormal rise in the prices of cloth and other articles subjected to Octroi duty there has been less of import of these articlesalso There are no fresh sources of income to be considered by the Council

The expenditure side of the Municipality has on the other hand increased due to payment of Dearness Allowance to the staff rise in price of lubricating & fuel oil for the water pump & articles of stationary and it has therefore become hard for the Municipality to meet even the normal expenditure If the amount in the S B account is adjusted there will be nothing to fall back upon in case of worse situation in future. The sites which were

expected to yield good sums have not yet been soldas sanction of Government has not yet been accorded

In the circumstances the Municipality finds it difficult to pay up the Over-draft by the end of the current month as ordered a the Council at the meeting held on 29-11-42 have resolved to requ the Government to extend the term of the Over-draft by another six months, in view of unexpected adverse conditions mentioned above A copy of the resolution is enclosed for your kind perusal It is therefore requested that you would be kind enough to consider circumbstances in which the Municipality is placed & recommend to Government the extention of time applied for and obtain the sanction thereto at a very early date so that the Municipality might have some more time to better its financial position
